I, Theodore Julius do solemnly, sincerely, and truly swear that the Report or Manifest subscribed with my name, and now delivered by me to the Collector of the District of Philadelphia contains, to the best of my knowledge and belief, a just and true account of all the passengers which were on board the Ship Tonawanda at the time of her sailing from the port of Liverpool U.S. or which have been taken on board at any time since; that I am at present, and have been during the voyage, master of the said vessel. And I do likewise swear that all matters whatsoever in the said Report or Manifest are, to the best of my knowledge and belief, just and true.

Sworn before me, this 3rd day of September 1864

Theodore Julius
 Joseph J. Rudy, Dep. Collector

Note.—If any Articles of the Outward Cargo are brought back, they are to be detailed, specifying by whom shipped outward, and to whom consigned inward.

The names of all Passengers, distinguishing whether Cabin or Steerage Passengers, with the description and number of Packages containing their baggage, or the tools or implements of a mechanical trade, and the Vessel and Cabin stores must also be inserted in the Manifest.

DISTRICT OF PHILADELPHIA.

I *Theodore Julius*

do solemnly, sincerely and truly *swear*

that the Report and Manifest subscribed with my name, and now delivered by me to the Collector of the District of Philadelphia, contains to the best of my knowledge and belief, a just and true account of all the Goods, Wares, and Merchandise, including Packages of every kind and nature whatsoever, which were on board the

Ship Tomawanika at the time of her sailing from the Port of *Liverpool* 913 or which have been laden or taken on board at any time since;

and that the Packages of the said Goods are as particularly described as in the Bills of Lading, signed for the same by me, or with my knowledge: That I am at present, and have been *during the voyage*

Master of the said vessel: that no Packages whatsoever, or any Goods, Wares or Merchandise, have been unladen, landed, taken out, or in any manner whatever removed from on board the said *Ship*

since her departure from the said Port of *Liverpool* except such as are now particularly specified and declared in the Abstract or Account herewith; and that the Clearance and other papers, now delivered by me to the Collector, are all that I now have, or have had, that any way relate to the

cargo of the said vessel: and I do further *swear* that the several articles specified in the said Manifest, as the Sea Stores for the cabin and vessel, are truly such, and were *bona fide* put on board the said

Ship for the use of the Officers, Crew and Passengers thereof, and have none of them been brought, and are not intended, by way of merchandise, or for sale, or for any other purpose than above

swear that if I shall hereafter discover, or know of any other or greater quantity of Goods, Wares, and Merchandise, of any nature or kind whatsoever, than are contained in the Report and Manifest subscribed and now delivered by me, I will immediately and without delay, make due report thereof to the Collector of the Port or

District of Philadelphia: and I do likewise *swear* that all matters whatsoever in the said Report and Manifest expressed, are to the best of my knowledge and belief just and true. I further *swear*

that *a proper* Officer of the Customs has applied for an inspection of the Manifest of the cargo on board the said vessel, and that *a* certificate or endorsement has been delivered to me on

that Manifest of such cargo. I do further *swear* that I have to the best of my knowledge and belief, delivered or caused to be delivered, into the post office at or nearest said port, every

letter and every bag, parcel or package of letters, that were on board the *Ship* during her last voyage, and that I have so delivered or caused to be delivered all such letters, bags, parcels and

packages, as were in my possession, or under my power or control. *Sailed from Port July 19th 1864 Theodore Julius*
